

# September Registration

Dear Parents,

It's that time of the year to think about registering your child for PRESCHOOL!! We know it's a big decision to choose the right centre for your child's first educational experience, but be rest assured that we are here to help you throughout the whole process.

Pre-Registration starts every February and regular registration continues until all classes or programs are full. In February we open up registration first to the families that already attend the school. That means that the three year old program has first preference for re-enrollment into our four's program. Also, any siblings have first preference into our three's programs and any families that have previously attended Creative Kids in the past can pre-enroll in February too.

Towards the end of February it becomes clear how many openings we have for our three's program and if we will have any openings in our four's programs. Please note: If all children who are attending the three's program re-enroll into our four's we will not have any four's openings for the fall. Please don't be discouraged though, you are welcome to sign up on our waitlist right away. We usually have two to three openings in the four's program to fill every year towards September for various reasons.

*Registration Day!!!*

**Saturday, March 7th. is our OPEN HOUSE/REGISTRATION DAY** for all families wishing to enroll at Creative Kids Preschool for the first time. Our Open House runs from 9:00 am until 12:00 pm. This is a great time to come and visit the centre, meet the teachers, bring your questions and spend some time with us.

If you want to register your child on Saturday, March 7th., please make sure you have your child's registration form, emergency card, registration fee and all 10 post dated cheques filled out and ready for enrolment. You can call the centre or e-mail us prior to request a parent package that will have all the information you need.

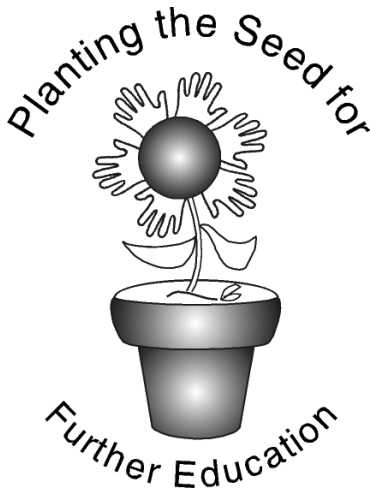

Please keep in mind that the Open House is very busy, with families lining up quite early to ensure their child has a spot in our program. When you come, please take a number and that is the order you will be called to register your child when the doors open. If you want only a morning spot for your child, we suggest you arrive early with all your information ready to be received, thank you.

If you are curious about our philosophy, staff qualifications, fees, and program or just have some questions, please read over our Parent handbook and you will find all the information you need.

If you have any further questions, please do not hesitate to contact Sandra Christian (Director) at 604-594-8880 or e-mail me directly at [info@creativekidspreschool.ca](mailto:info@creativekidspreschool.ca)

We look forward to meeting you and your family!

**Attention All Preschoolers!**

# CREATIVE KIDS PRESCHOOL

is Celebrating it's

**13<sup>th</sup> Year  
Anniversary**

<sup>TM</sup> **and they are now  
registering for their September 2009 enrollment
