

EXTRA! EXTRA!

READY TO READ MAY NEWSLETTER

Tracking our progress

Here we go! The children are getting very good at using the grammar rules they have learned at the Fun Family Fair. It is so exciting to see them flourish and gain confidence in themselves and their abilities. There's no stopping them now 😊

Helpful hints

Please review the material learned in class (found in the front homework pouch of their binder)

Read the book of the week each day at least once

Have your child teach you the material they have learned in class

Creative Writing Presentations

This is an exciting process that helps your child put their thoughts on paper. We have now reached the top of our mountain where the children print **three full sentences** for presentation. We have added a new presentation tool (a podium!) to assist the children in their posture and volume. As they continue on in school presenting their ideas verbally will be an important skill for each subject they have. I appreciate the time and effort the family gives the student in completing the writing and let me tell you, the excitement the children show to present their hard work is so rewarding to see!

Reading Log

I have attached another reading log to assist in the continued reading of our weekly readers on a consistent basis. If you are currently working on your log please continue to do so and use the attached log when needed. Please note that the log is to be completed for the weekly reader only. The reason for this is that each reader complements the area of the fair we have most recently learned. Your child may place a sticker on each square when they complete a reading of the reader, they may also continue on to the next row of squares even if the week has not yet come to an end. Once the log is complete return it to me for another *ticket to our summer marketplace!* If you have any questions please feel free to email or phone me at the school or speak to me before class.

Homework

A gentle reminder that there is homework available to your child after each class😊. The children have been reminded to place the daily sentence sheet in their "front homework pouch" to review with their family. Reviewing the material as it comes home offers a consistent practice towards the weekly reader sent home.

Books: Please note that for the duration of our program we may require the use of the book during class time so please ensure the book is sent in the orange pencil pouch each class. *Thank you*

Upcoming Events

Parent Information Night – Thursday, May 21st at 6:00 pm at Creative Kids Preschool

You may remember the time when you were unsure of placing your child in this program. Many questions and concerns filled your thoughts. As always, we will be hosting a parent information evening for our current four year old families. As you know, hearing about the program from a parents perspective is very helpful and **I would truly appreciate having testimonials to share at this important event.** Just a brief letter describing any concerns you had and how they have worked out for you or perhaps one or two positive items about the program you enjoy. Any families that can attend the event to help answer questions would also be greatly appreciated. Thank you in advance for your support.

SUMMER CAMPS

Yeah! It's back – our very popular, very fun SUMMER PROGRAM!

An information and registration package is attached to this newsletter. During the months of July and August, the summer program is held at our wonderful school. Families may choose one, two, three, four or all five of the available one week sessions. We emphasize summer fun and the great outdoors! Feel free to pass the information on to your friends and neighbours; we'd love to welcome them to our program! Please keep in mind our programs do fill up quickly.

For children entering our three-year-old program in the fall, these programs allow the child(ren) to get to know the teachers and the school environment. It is also helpful to families to have siblings together to enjoy the summer fun!

We look forward to seeing you there!

Please see the attached form for more information; registration is due by Monday, May 25th and Tuesday, May 26th. Thank you.

FATHER'S DAY BBQ

In order to allow enough time for our amazing Dad's to arrange the time needed, please note that we will be hosting a special event on **Thursday, June 18th from 4:00 – 6:00 pm** at Creative Kids Preschool. (That's all we're going to say!)

When in doubt, shout out!

Thank you to all the families for their tremendous support of our program and most importantly your children, bringing your child to and from class and offering positive encouragement to the children and me! If you have any questions or concerns please have a chat with me, email me at info@creativekidspreschool.ca

Or phone the centre. I am in Tuesday – Friday from 9 am on.

Happy Reading
Mrs. Becky Roosdahl
