Dear Parents,

Welcome to the Ready to Read program. I know this is going to be a very exciting year for your child as they discover the joys of reading. Your interest and the help you give at home will make a huge difference to your child's progress and enjoyment of the program. After every class your child will bring home the material that has been taught with the page numbers from the book *Fun Family Fair*. Inside the **NEW *Fun Family Fair Stories*** binder you will find a list of page numbers from the work that your child brings home listed next to the corresponding page numbers for the Fun Family Fair Stories. Each story practices the phonetic tool your child has learned that day in class. Your child may need your help to read the story and find the words listed at the top of the page. This is a great way to practice both phonics and reading.

Here is an order form for the materials that we recommend for you to use at home with your child. Your teacher will explain how to use them effectively with your child.
