

CREATIVE KIDS LEARNING CENTERS

May 2008

Dear Parents,

We are going to be offering a **Summer Fun Program** at Creative Kids during the months of July and August 2008. The program will be run by Miss Bond and Miss Ford and Caitlyn from the Before and After School Program. This year we are planning to make some changes and will have three staff teaching each session throughout the summer. This will enable us to plan different age appropriate activities for the different age groups and split them up from time to time. This will ensure that every single child, of all ages is having the best time at summer camp, each and every week!

Program

Our program will be planned around a relaxed summer fun theme and will emphasize the outdoors. For example: gardening, outdoor water play, scavenger hunts, horse back riding at the stables, obstacle courses, painting, face painting, arts and crafts, creating a piñata, ball skills, parachute fun, kite flying, hot dog/marshmallow roasts, bubble fun, bathing suit water fun days, blackberry picking, pizza days, nature walks, fun in a bouncy castle, theme days and make-believe camping in a real tent. Those are just a **few** of our many ideas. For rainy days we will be inside with arts and crafts, play time, story-telling and Creative fun.

*Wait until you see our exciting new equipment additions for summer this year!!!!

Clothing

We ask you to please send your child to our Summer Program dressed for **PLAY** and the weather that day. Also, runners instead of sandals are much more comfortable in the pea gravel for a day of activities. Please have your child fully sun-screened and wearing a hat on all sunny days. We've been known to enjoy hot days.

Lunch

Lunch will be provided and will be summer fun foods such as: Spaghetti, Sandwiches, macaroni, watermelon, popsicles, ice cream cones, fresh fruit, veggies and dip, and making our own pizzas, hot dogs roasts etc.

You will need to provide your child with their own water bottle for the week with their name on it. We will fill them up with fresh water each day and keep them nice and cold.

Sessions

Each session is one week long (Monday to Friday) and 3 hours in duration.

Ages are from 3 years old to 6 years old.

Each Session will be from 10:00 a.m. to 1:00 p.m. each day

(At preschool, children need to be toilet-trained or well on their way ☺).
