Zox

As a special treat our three year old classes will enjoy a visit from the fun and (environmentally) friendly "Zox of the Forest!" on Thursday, February 12th. This interactive musical experience will be a great way for the children to celebrate their *love* for music and movement, the environment and each other.

Check out his website for more information and testimonials.

Cinemazoo

Creepy crawly oh my golly! Our animal friends at Cinemazoo will visit our classroom on Thursday, March 26th. Our three year olds will enjoy learning about the care of creatures (some bigger some smaller). Please note that the children are not permitted to handle any of the animals, however may be extended the opportunity to pet a furry friend or two.

If you would like to visit Cinemazoo or book them for a home party, see the website below.
